

HEAVY-DUTY MATERIALS.
Our Flexi®Pocket System features 100% lightweight yet hard-wearing polyamide fabric. It's easy to keep clean and dries more quickly than leather. The holster pockets are made in Cordura® fabric for extra durability.

PROTECT YOUR BACK. For heavy tool carrying, distributing the load will save your back. Our advanced Flexi®Toolvest with wide shoulders and ergonomic belt as well as our lightweight Flexi®Toolbelt are ergonomically designed for real working comfort.

SMART TOOL CARRYING.
Our Flexi®Pocket System features a wide range of hardwearing pockets for various purposes. Just mix and match to create a solution that fits your on-the-job needs.

WHERE DO YOU WANT THE POCKETS?
On the toolvest, on the trousers or maybe on the belt – it's your choice. Our Flexi®Pocket System makes it easy to attach pockets and pouches where you want.
