

UNLIMITED FUNCTIONALITY.

Velcro tool fasteners, front pockets, holster pockets, leg cargo pocket with mobile phone compartment and a ruler pocket with an outside compartment ensure that you have everything you need within easy reach.

OPTIMAL FREEDOM OF MOVEMENT.

Our 3-series design features advanced cut with Twisted Leg™ design that anticipates your next move for outstanding freedom of movement.

LONG, PIRATE OR SHORT?

The advanced Snickers Workwear 3-series design is available throughout our entire range of work trousers. Giving you loads of built-in functionality, all year round.

SAVE YOUR KNEES.

The kneepad pockets are designed for the patented KneeGuard™ positioning system. It allows you to put the kneepads in different positions to ensure superior knee protection.

ADVANCED KNEEPROTECTION

Kneepads that do not stay firmly in position have long been a problem. But not any more. The design of the patented seams in our trousers in combination with being able to place the kneepads in different positions in the kneepad

pockets makes it possible to locate the kneepads for optimal position. We call this KneeGuard™ – a completely new, patented system for those of you who want to look after your knees.

CoolTwill™
featuring Cordura®
